Wounded Vets Strong is a club started Spring 2016 at SHS by sophomore Haley Latorre in order to educate the community about wounded veterans and support both the Wounded Warrior Project and the Fisher House of CT. With the support of her classmates, peers, advisor/ guidance counselor Ms. Vollaro, SHS community and Simsbury community, she has been able to continue supporting Wounded Veterans as she has been for the past 6 years through the Memorial Day bake sale in support of the Wounded Warrior Project (which she started in 5th grade and will continue to do).
